The Small World Foundation is an organization that supports the Ticuna indigenous community San Martin de Amacayacu in the Colombian Amazon. In 2011, we started a project to GET 40 TOILETS FOR SAN MARTIN DONE. We can proudly say that this project is finished and that 40 houses are provided with a toilet. BUT still not everyone has a toilet...20 more to go!! We need YOUR help to raise €5000 to GET the 20 remaining TOILETS DONE!
